AWARDS

2021

## Mensagem do Comitê Organizador

Em sua 5ª edição, o WBA atingiu mais uma vez número recorde de inscrições, o que renova nosso entusiasmo sobre o crescimento do setor. Mas muito além do quantitativo, é notável o inexorável incremento qualitativo da nossa produção.

É cada vez mais profundo o conhecimento que se têm obtido das vinhas e cantinas Brasil afora, some-se a isso a expansão e o amadurecimento das indicações geográficas aliados à inovação tecnológica, uma geração de ouro de inquietos enólogos, intrépidos vinhateiros e ousados investidores, temos aí todos os ingredientes para a transformação já em curso.

A sucessão das extraordinárias colheitas 2018 e 2020 elevou ainda mais o nível dos nossos vinhos e espumantes, sinalizando a maturidade de grande parte dos produtores e de uma produção cuja ênfase no vinhedo e nos frutos tem sido a tônica.

Avaliar a qualidade de vinhos envolve grande senso de responsabilidade. Sabemos que da terra à garrafa há muito mais que uma nota e que a objetividade dos números não pode, jamais, estar à frente do suor e da emoção do vinicultor que resultam no vinho que temos a honra de avaliar.

A todas as 188 vinícolas participantes do WBA 2021 e seus 2196 vinhos inscritos, registramos aqui nossas felicitações pelos resultados, mas, muito além disso, o nosso sincero reconhecimento pelo trabalho e pela coragem em submetê-los ao maior e mais respeitado concurso de vinhos brasileiros.

Parabéns a todos e até 2022!
